

Share the Dance Corporate Sponsorship Coppélia ~ February 25-28, 2016

Share the Dance is a program for elementary school children that allows them to learn about ballet and to experience the arts. Many schools no longer have budgets that allow for arts education. At Young People's Ballet Theatre we aim to provide opportunities for local school children to enjoy the arts.

Each \$500 corporate sponsorship for Share the Dance provides for 50 children and chaperones to attend a YPBT performance, including a pre-show talk and post-show photo opportunity with the dancers. YPBT is partnering with the Youth Quest program of Flint, an after school enrichment program for at-risk children. Youth Quest is sponsored by the Flint & Genesee Chamber of Commerce and supported by the CS Mott Foundation.

Join us as a sponsor and become a part of this important community program. Aligning your organization with Young People's Ballet Theatre not only makes a statement about your investment in building a strong and vibrant community but is also a valuable marketing tool in growing your audience.

As a sponsor you will enjoy several benefits including:

- Your company logo will be displayed in the lobby at all Coppelia performances.
- Your company name and logo will appear in the Coppelia program.
- Your company will receive recognition during the curtain speeches for Coppelia.

Thank you for your consideration and we hope we can count on your support!
